

Southland Catering Lunch Program 2017-2018

Greetings!

Welcome to the Southland Catering lunch program! Our commitment to providing the healthiest, highest quality, and most delicious food has always been and will continue to be our number one priority. We care about the quality of food your child eats at school!

At Southland Catering, we pride ourselves on customizing a menu plan to accommodate the needs of each school we serve. Our company provides the convenience of online ordering with the advantage of late ordering (up to 8 a.m. the same morning.) We understand that last-minute ordering may be necessary on occasion to accommodate your busy schedule.

Southland Catering is certified with the federal program administered by the National Restaurant Association. Our trained staff are also registered with the State of California for Live Scan.

We are delighted that you are participating in our lunch program and look forward to serving you!

WHAT'S FOR LUNCH?

- Nutritious meals, made fresh each day
- Various menu choices in order to please much of the school population
- All meals come with a choice of a side and drink

Pre-Order Lunch Service

Pre-orders may be placed online at [HTTP://southlandcatering.orderlunches.com](http://southlandcatering.orderlunches.com) . Families must first set-up a parent account using the initial school code: **mtcal2** which will assign you to the right school for service. Once the parent account is initiated, child accounts may be created and the ordering begins!

We encourage you to order your child's meals prior to the beginning of each month, however, we understand that last-minute ordering may be necessary on occasion. To accommodate your busy schedule we offer Late Orders. Late Orders must be placed no later than 8:00 am the morning of lunch service. A nominal fee will be charged for orders placed with less than 24 hours advanced notice.

The price per meal including drink is: Preschool \$4.65, Junior \$5.70, Regular \$5.95 plus tax. Each meal will be individually packaged and personalized with a label of the students name, grade, & the items ordered.

Thank you for your consideration.
